All staff is well educated

One of the best MBA Institute in Pune

1. Make teaching a two way interaction. 2. Teach from basic, as some students are not from related background (like Commerce, management)

Students oriented positive approach

1. Use better graphics and visual media to engage students well 2. Try to reach every student and ask for their doubts 3. Make teaching a two way interaction

I think more activities should be taken practically to develop skills.
