Guest Lecture on Women Entrepreneurship (24th Sept, 2016)

Shree Shivaji Maratha Society's Institute of Management and Research conducted Guest lecture on Women Entrepreneurship to motivate the young girl students to start their own venture. Mr. Sunil Mirashi and Mr. Deshpande were present to guide the students on same.

The status of modern women in India is changing as a result to growing industrialization and urbanization, spasmodic mobility and social legislation. Women are going in for higher education, technical and professional education and their proportion in the workforce has also been increased. Even the government has laid special emphasis on the need for conducting special entrepreneurial training programs for women to enable them to start their own ventures. Rates of self employment among women are increasing in several countries.
