Report on Bicycles Day/ No Vehicle day (2016-2017)

Objective: To help sustain the ecosystem

To help reduce fuel scarcity

AS a part of society IMR conducted Bicycles day/no vehicle day on **19th Feb 2016** with active participation of all the staff members and students of MBA. On that day we encouraged our faculty members and students to use bicycle by conveying importance of bicycles to human health as well as Mother Nature. Bicycling boosts the economy. Bicycling reduces road congestion and air pollution.

Active participation of IMR staff

Report on Bicycles Day (2017-2018)

Objective: To help sustain the ecosystem

To help reduce fuel scarcity

IMR once in year celebrate bicycle day/No Vehicle Day in campus for eco-friendly environment and to save fuel. In academic year 2017-2018 we conducted it on **12th October 2018**. We appeal all the students and staff members to come riding bicycles or walking in campus. We also provided them separate bicycle stands in our parking area. We improve student's awareness towards air pollution and fuel scarcity and motivate them to used bicycles by conveying health benefits.

Report on Pedestrian friendly roads

Objectives: To encourage people to walk rather than drive to maintain good health as well as pollution free environment.

Shri Shivaji Maratha society's IMR organization gives much importance to green practices in campus always. We established Pedestrian friendly roads in our campus. The existence of pedestrian friendly roads provides some incentive for people to walk rather than drive. IMR provide pleasant walking environment with sidewalks, weather protection, and attractive landscaping is a step toward encouraging people choose transit, bikes, or walking over cars.

Report on Plastic-free campus

**Objective: To sustain environment and maintain cleanliness in campus
To avoid hazards of plastics to eco system**

Institute has been following and promoting plastic free campus drive. For that we instructed our employees not to use plastic or throw it on campus. This is one of the initiatives towards the plastic free campus in order to protect our environment. IMR also improve students' awareness towards environment, hazards of plastic, pollution for this purpose we conduct plastic free drive once a year. If we ban plastic, future generation will be grateful to us as it harms our planet's beauty as well as environment.

Report on Paperless Office

Objective: To reduce paper usages and to sustain natural resources

Academic field have the most use of paper for documentation, notes, office use etc. But IMR took initiative to reduce the paper used by the following activities.

Sr. No.	Activity Adopted by IMR	Outcome of the Activity
1	Printing documents ,notes on both the sides of paper	To limit the number of papers used daily.
2	For day to day communication we are using Digital mediums like, mails, what's app groups, Google groups to send bulk emails.	Reduction in the usage of papers
3	For managing paper waste we have tie-up with the scrap agency.	Scrap agency took our paper waste for further recycling process

Report on Green landscaping with trees and plants

Objective: To Maintain greenery and pleasant campus

To balance ecosystem and to reduce air pollution

Institute is having 5 acres of campus with beautiful greenery. We maintain green landscape at our campus by dedicating experienced employees to cater it properly. Green landscape is our aesthetic quality which we protect by natural resources like bio composting and worm composting. Our Green landscape gives very pleasant and peaceful environment to campus. We are having variety of plants and trees like flower plants, fruit trees. Because of the greenery variety of Birds are seen on campus like sparrows, parrots, crows, cuckoo bird. To give these birds a natural shelter we have provided them natural looking nests so they can have comfortable habitat.
